

I'm afraid of failure Lord. I don't want to look bad to myself or others, so I aim low, instead of being all you created me to be. I believe, Lord. Forgive my unbelief!
(Mark 9:24).

Recreate me to live a life with Faithful Finish Lines that reflects the simple yet amazing plans you have in place, so others may see You in Me. Thank you for the work you are doing. Help me see it this day.
Amen.
